OVER

MUSIC RULES: Music guidelines are being followed at all USA and Varsity Brands events. Competition music must be properly licensed and a team must provide a printed copy of proof of licensing at team registration. If a team cannot provide proof of licensing immediately upon request, the team may be disqualified from the event. For further details visit www.varsity.com/music.

A sound system will be provided. Speed control is not available. Music checks on the main sound system are not permitted. A representative must be present at the sound system at the time of performance. Advisors/coaches are asked to hold onto their own music until the time of performance and to take music back following the performance.

All teams must provide their own MP3 device (or smart phone) for use on the event provided sound system. Music must be recorded at the correct tempo. Although it is not recommended due to interference that may be caused during a routine, a smart phone may be used for playing music. No cover may be on any MP3 player or smart phone so that a patch cord may be easily inserted into the device. Please ensure that jacks are clean and free of any debris which may impact connectivity. You must ensure that your device has a jack into which a patch cord may be inserted. Note that you may need to acquire an adapter in advance if your player does not have a head phone jack. New – Ability to play routine from a CD **will not** be available.

All Star teams, please note the 2018-19 USASF General Safety and Level Rules for All Star Teams posted at usaf.net. Remember that 0.25-1.0 point will be deducted from the final team average of each occurrence of an illegal procedure. Performance error deductions will be assessed.

Scoresheets will be distributed to all teams at the conclusion of awards. Only an authorized team advisor/coach who is designated at team registration may pick these up. A photo I.D. will be required for scoresheet pick up. Recaps may be requested via the USA website (usa.varsity.com) following the competition.

Video Taping Policy - For safety and security we respectfully request that videotaping be limited to performances of your school/organization only. Tri-pods for cameras and/or cameras with a specialized lens attachment may not be used. Again, videotaping is permitted, but only of the routine(s) that are being performed by your participant's team. Livestreaming of the event is not permitted.

Please note that “sister” teams and coaches only will be permitted onto the performance floor area during competition. This is to expedite the flow of the competition and to promote a safe and controlled performance environment. Parents/family/friends are welcome to view the competition from the regular arena seats.

Due to the many crossover participants, performance times have been scheduled as best as possible. We have done everything we can so the teams can make the warm up times at Station #3. However, warm up times may have conflicts and cannot be adjusted.

All performers receive a participation trading pin. Trophies will be presented to 50% of the teams competing in each division. For all divisions, “Champion” pins will be given to each first place competitor.

DIRECTIONS: See attached campus map.

PARKING FEES: Parking Structure PS7 is used for this event. The parking is \$20/per car (cash only) at the structure. This parking structure is located on 55th street across from the arena. The USA and/or San Diego State University will not be liable for parking tickets that may be issued for parking in unauthorized areas.

Buses must park in Lot 15, which is south of the arena down the hill on Canyon Crest. It is best that teams are dropped-off at the bus turnaround on 55th Street and then proceed to Lot 15. There is no fee for buses to park here.
